

In the City Council
City of Lodi
Lodi, California

RESOLUTION NO. 1151

WHEREAS, present war conditions and reduced personnel in this City's police Department and the increased demands on all law enforcement agencies make it necessary that every additional source of assistance be developed to its highest efficiency, and,

WHEREAS, the installation of an additional two-way portable radio transmitter and receiver in the automobile of the Constable of Elkhorn Township capable of being tuned in to this City's municipal police radio Station K N G Y, will increase the efficiency of said Constable as well as make his assistance available to the local police in times of emergency, and,

WHEREAS, the Board of Supervisors of San Joaquin County, California, in which County this City and Elkhorn Township are located, have requested that such radio service to be extended to said Constable as is evidenced by a resolution of said Board of Supervisors adopted on the 15th day of February, 1943, a copy of which resolution is annexed hereto and made part hereof, therefore,

BE IT RESOLVED BY THIS CITY COUNCIL OF THE CITY OF LODI, that the City Engineer be, and he is hereby authorized, empowered and directed to apply to the Federal Communications Commission for a modification of this City's present license so as to permit the addition of an additional portable station for the purpose above set forth.
